An Update of the Progress of Business Liaison Groups

Purpose

This paper provides an update of the overall work progress of the ten Business Liaison Groups (BLGs) since the last Task Force meeting.

Progress

2. From 1 January to 31 December 2017, nine BLG meetings were held and a total of 44 issues were satisfactorily resolved or clarified. At these meetings, nine information dissemination sessions on new business facilitation measures/new regulations/existing regulatory requirements and two consultation sessions on proposed new regulations were conducted by the departments concerned. A breakdown of these figures by the BLGs is shown at *Appendix*. Three typical cases satisfactorily dealt with by relevant BLGs are set out in BLGTF Papers 91 to 93.

3. The Secretariat will continue to provide advance notice to members once the meeting schedule for the future BLG meetings is available.

Way Forward

4. Members are invited to note the content of this paper and offer comments, if any.
